Darnell being duly elected Chairman, and E. R. Lunt Secretary. J. Campbell and S. S. Hawthorne being appointed by the Chair to read a set of laws, proposed by the following, which were adopted:

ARTICLE 1. This district shall be known as—"Saw Mill District," and bounded as follows:—Commencing at the mouth of Fall creek, running up the main left hand fork to the summit, thence down the summit opposite to Harper's ranch, thence to Harper's ranch, thence up Grimes creek to the mouth of Granite creek, thence up the divide between Grimes and Granite creeks to a point opposite the mouth of Fall creek, thence to the mouth of Fall creek.

ART. 2. Each and every miner shall be entitled to hold four claims by location, consisting of one gulch, one creek, one bar and one hill claim.

ART. 3. Creek claims shall be 200 feet long on the creek, extending from bluff to bluff on each side. Bar claims shall have 200 feet front on the creek and extending back as far as the bar extends. Gulch claims shall consist of 200 feet square, the gulch being the center of the claim. Hill claims shall have 200 feet front and run back to the summit of the hill.

ART. 4. Hill and bar claims must have stakes on each of their front corners, with a notice thereon containing the names of the claimants and the date of the location or purchase. Creek and gulch claims shall have a stake at each end, with notice containing name, &c., as above.

ART. 5. No ground shall be deemed forfeited until sufficient water for working the same shall have been running on the ground one week.

ART. 6. There shall be a Recorder elected whose duty it shall be to record all claims located, and also all transfers of ground, for which service he shall be entitled to the sum of two dollars for each and every claim. In addition to the above it shall be the duty of the Recorder to go on the ground located and measure and place the stakes as described in Art. 4.

ART. 7. All claims hereafter located must be recorded within ten days after location.

ART. 8. Where vacant ground occurs in front of bar or hill claims, the holders of said ground shall be entitled to the same for dumping purposes without any further representation than working the ground above.

ART. 9. These laws may be amended or revised at any time by giving ten days written notice for that purpose, at four of the most conspicuous places in the district, by the Recorder.

C. C. DUDLEY, Chairman.

JOHN M. MURPHY, Secretary.

Editor Boise News: Having made a short run from Placerville for the purpose of seeing the sights around Idaho, please pardon me for offering you for publication some slight observations on one topic—theatrical, yes that's the word, particularly, although there is many another subject which might be dilated upon, yet theatricals take precedence. After all the expense and trouble which the management of your Idaho theaters have gone to to give your citizens a good performance—with the best talent on the coast, why is it that I saw so many empty benches on Saturday night to witness Mrs. Hayne in her great character of "Bianca;" and although it was a fair house, yet it was not such as might be expected. It is a shame to your fair city that so meager an audience should ever sit beneath the reading of Mrs. Hayne, and I for one would not blame the fraternity if they would retire permanently from the stage in Idaho. Let politics do its best, yet there should be lovers enough of the drama in your city to fill the Jenny Lind Theater to witness the personations of Mrs. Hayne. I hope that hereafter when talent comes among you to hear of it being better appreciated. Placerville, Sept. 4, 1864. Cmo.
